

A modern office interior featuring a black stool with a curved seat and a wooden table. The scene is split into two halves by a vertical black bar. The left half shows a close-up of the stool and a table with papers. The right half shows a wider view of the table with a white coffee cup on it. The background has vertical blinds.

LIFT\_ OPERATIVE

## LIFT\_OPERATIVE

Lift, una scrivania studiata per il benessere di chi lavora.

La regolazione in altezza del piano di lavoro contribuisce al miglioramento della postura e all'incremento della performance. È risaputo che le molte ore passate davanti alla scrivania non sono salutari. Lift permette di regolare elettricamente l'altezza ottimale del piano di lavoro e di operare stando in posizione eretta, alleggerendo così il carico sulla schiena.

*Lift is a desk designed for the well-being of working people.*

*The height adjustment of the desktop contributes to improving posture and increasing performance. It is well known that the many hours spent in front of the desk are not healthy. Lift allows you to electrically adjust the optimal height of the desktop and to operate in an upright position, thus relieving the load on the back.*

Lift je sto dizajniran za dobrobit ljudi na radnom mestu. Podešavanje visine stola doprinosi poboljšanju držanja tela i povećava produktivnost na poslu. Dobro je poznato da provođenje mnogo vremena za radnim stolom nije dobro za zdravlje. Lift omogućava da se elektronski podesi optimalna visina stola kako bi moglo da se radi u stojećem položaju, što značajno smanjuje opterećenje na leđima.

Struttura elevabile in altezza da 625mm  
a 1275mm.

*Height adjustable structure from  
625mm to 1275mm.*

Konstrukcija podesive visine od 625mm  
do 1275mm.

Pannello frontale in melaminico o tessuto per scrivanie condivise.

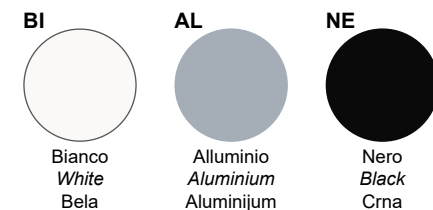

*Melamine or fabric frontal screen for shared desks.*

Frontalni panel od iverice ili obložen tkaninom za deljene stolove.
